## DIRECTORATE OF COOPERATIVE AUDIT:ODISHA:BHUBANESWAR Circular No: 4606 /VI(A) 35/15 Audit-2

To

The Chief Executive Officers. All Urban Cooperative Banks of the State./ Utkal Cooperative Banking Society Ltd.

Sub: Revised norms for audit classification of Urban Cooperative Banks.

Sir,

As you are aware, significant developments have taken place in the overall banking environment, including structural, Financial, operational and regulatory changes in respect of Urban Cooperative Banks during the recent period. Keeping these changes in view, it has been decided to adopt the revised audit rating norms and one important feature of such rating norms is to adopt a new module based on the broad parameters of CAMELS for Urban Cooperative Banks.

In view of decision in the 28th State Level TAFCUB meeting held on 28.04.2016, a new module of audit classification of Urban Cooperative Banks effective from the financial year 2015-16 is hereby prescribed(copy enclosed).

The key factors (parameters under CAMELSC) and weightage assigned to each of them is as under:-

SI No.	Key Factors (Parameters under CAMELSC)	Weightage assigned (%)		
1	Capital Adequacy	15		
2	Asset Quality	15		
3	Management	10		
4	Earnings	10		
5	Liquidity	15		
6	System and Control	20		
7	Compliance	15		
	Total	100		

Each key factor is assigned on aggregate mark of 100 and is divided into sub-factors/subparameters with different marks depending upon their importance in the rating exercise. The marks obtained for each key factor (out of 100) will be multiplied by the respective weightage assigned to the key factor, for arriving at the composite rating of 100 marks.

Further, Composite Rating will be awarded on the basis of the total weighted average marks out of 100 and the serious adverse features observed in the financial position & methods of operation of the bank, if any. Composite Rating will be awarded on a four score scale (A, B,  $\in$  & D) and will generally denote the financial position and soundness of the bank as indicated below:

## Composite Audit Classification.

Si No.	Total marks obtained/ weighted marks	Class awarded.
1	75 and above	Α
2	60 to below 75	В
3	45 to below 60	С
4	Below 45	D

You are therefore requested to adopt these new norms for audit classification of Urban Cooperative Banks henceforth.

Earlier instruction given on the score vide letter No-9653(16)/Audit-2/Dtd-04.12.2009 is hereby superseded.

Yours faithfully **Auditor General** Cooperative Societies Memo No: 4607 Odisha Date: 21/416 Copy submitted to the Principal Secretary to Govt., Cooperation Department, Odisha, Bhubaneswar for kind information and necessary action.
