To : Managing Director / Chief Executive Officer  
State Cooperative Banks & District Central Coop. Banks

Subject:

### Computation of networth of SCBs/CCBs - Revision thereof

We are aware, as per the extant instructions, items such as provisions for Standard Assets, excess provision for diminution in the value of assets etc., made by the State and Central Cooperative Banks, are reckoned while computing Net Worth of the bank.

As the above provisions were less permanent in nature and not considered as core capital, the same was examined by us in consultation with the Reserve Bank of India. It has since been decided to effect the following changes for computation of networth :

- i. Provision of Standard Assets (as per IRAC norms) -- not to be added while computing net-worth. However, provisions for Standard Assets made in excess of regulatory requirement (as per IRAC norms) can be added while computing net-worth.
- ii. Provision of NPA made in excess of prescribed requirement, to the extent not adjusted for computation of net NPA, can be added while computing net-worth.
- iii. While computing net-worth, "Revaluation Reserves" are to be excluded.
- iv. Format for computation of Net Worth is furnished in the Annexure and the revised instructions would come into effect for all the Statutory Inspections conducted with reference to financial position as on 31 March 2012. The Inspecting Officer would calculate the networth as per the revised methodology (including adjustments following his inspection findings) which would be communicated through the inspection reports.
- v. You may please advise the statutory auditor to adopt the revised methodology.
- vi. Please acknowledge receipt of this circular to our RO.

Yours faithfully,

(K. Venkateswara Rao)  
Chief General Manager

Ans: As above
